

DR. YAMAN KAZEM ALSYYADI

general practitioner/ Urology Board Trainee 2nd level

Biography/cv

1/1/1995 , Syrian , live in sanaa

I am a Syrian physician with a general medical degree and a board-certified trainee in urology, with extensive practical experience in dealing with various medical conditions in emergency departments, in addition to following up patients in the departments of general surgery, general internal medicine, and pediatrics. I have the ability to quickly assess cases and make appropriate clinical decisions, as well as effective communication skills with patients and medical teams. I aspire to continue my professional development and contribute to the delivery of excellent healthcare in advanced medical environments
